

Sunday School Registration Page 2

We all know it takes a village to raise a child; it also takes a village to teach a child Christian values. Help us create our own village based on Christian ideals and Methodist theology. We are asking all parents/ guardians to take part in serving the Lord by helping teach our children in Sunday School. Please volunteer to help with your child's Sunday School class (or another age group) this year. We have a new curriculum with a faith connection and music for every lesson. SHUMC provides a wonderful Christian Education program for children ranging from 2 years old through 5th grade every Sunday morning. Please become part of our faith village at Smoky Hill United Methodist Church and volunteer to help with Sunday School. (check one)

I will help in my child's Sunday School class; I will help in any Sunday School class.

Along with Sunday School, Children and Family Ministries offer a variety of different opportunities for our children throughout the year. **Please circle** which program or event you would like to volunteer for; many of these occur on a Saturday or Sunday. (You may volunteer for more than one!)
