

Volunteer Service Opportunities Smoky Hill United Methodist Church

Reach out to others in Christ's love

Please prayerfully consider your talents, your participation
and your service to Christ.

All Service opportunities are for calendar year 2003. Please indicate your willingness to serve by checking the corresponding code(s) on the enclosed form. Four copies of the form are included in this booklet.

It is intended for each member of the family to complete one and turn it in. Additional copies are available. Remember to include your name, phone number and e-mail address if you have one. If already serving in a capacity and you wish to continue, please note it on the form. If your talent is not listed, or your desire to volunteer in a different capacity not listed, please write it in on the form.

The descriptions for service opportunities will be posted on the SHUMC website, www.smokyhillumc.org. If you do not have access to the internet the descriptions will be posted in the narthex and we will have copies available for those people that would like to take them home.
